

A photograph of a grey, dome-shaped pizza oven sitting on a dark wooden stand. To the left of the oven is a potted plant with large green leaves. Above the oven, a wooden sign with the words 'Fire Up The Flame' is hanging. The oven has a small logo on its front that says 'ChowBella' and 'Fire Up The Flame'. The background is a plain white wall.

Why Choose ChowBella

BUILT THE RIGHT WAY – NEVER THE EASY WAY.

A truly exceptional pizza oven begins with perfect design – the right airflow, the ideal heat retention, and craftsmanship that honours tradition. Our ovens are built to replicate the iconic Neapolitan style perfected in Italy, delivering the same authentic cooking experience. Lightweight enough for effortless home use and courier delivery, yet uncompromising in the time-honoured build and design principles that have stood the test of centuries.
